### **Minutes of IQAC Meeting held on 12.06.2018**

- The chairperson welcomed the members to the meeting. she expressed her appreciation of the work done by the coordinator of the cell Dr.S.Gajalakshmi underlining the quality assurance initiatives undertaken by IQAC under his leadership such as faculty lecture series. Alumni Lecture series and starting the value-added courses. The minutes of the previous meeting held on March 13, 2018 were confirmed.
- It was decided that an academic and administrative audit shall be conducted in the College by appointing external auditors to be identified by management representative Mr.A.Krishnamoorthy. The format of the audit would be decided by the auditors themselves.
- It was decided that IQAC would make a recommendation to the staff council to constitute a two-member committee which will prepare extra-curricular activity calendar. Also, all the proposals for extra-curricular and events shall be routed through this two-member committee for final approval from Principal's Office.
- It was suggested that student progression data should be collected from students at the time of receiving clearance from library in addition to the already existing mechanism of collecting such data at the time of handing over provisional certificates to the students to facilitate comprehensive collection of data.
- The need to prepare reports for NAAC has added an additional responsibility of collecting and collating information regarding teacher publications, their participation in FDPs and conference, College's admissions, scholarships, results, extra-curricular activities, MOUs, Lectures, FDPs conducted by the College etc. Currently the administrative support systems do not have seamless mechanism for obtaining and rearranging the data in the formats required by rating agencies, Therefore, the IQAC resolves that an office assistance should be hired for the purpose of collecting data in the format required by NAAC and other rating agencies.
- It was proposed to constitute a parent teacher forum, The graduation ceremony for outgoing students should be organized on a grand scale involving parents and guardians to facilitate forging strong institutional association with them and also provide them an opportunity to participate in the achievement of their ward.

- In order to achieve the target of zero percent failure rate it was decided that the examinations results of the upcoming examinations should be analyzed in detail to identify the prominent reasons causing occurrence of failure among students so that steps could be taken to overcome them.
- The Chairperson governing body has been repeatedly emphasizing the need to raise the academic standards of the college to maintain its high ranking and prestigious image. To give a material shape to the vision of the chairperson it was decided that the schemes of "Academic Excellence" and Reward Scheme for research publications should be revised.

### **Minutes of IQAC Meeting held on 05.01.2019**

The meeting started with the welcome remarks of the principal. The principal presented an overview of the issues to be discussed in the meeting in the context of enhancing quality enhancement.

- It was proposed that regular faculty members should also be reimbursed the expenses they incur for attending Local, National and International conferences/ workshops/seminars etc. In this context two-member committee comprising of Mr. A.Krishnamoorthy, Management Representative and Dr.S. Kavitha, Assistant Professor was formed to look into the issue of funding of faculty of the college by the Management of academic excellence in detail and suggest changes. Terms of references included:
  - Eligibility Criteria for regular faculty for availing the financial assistance.
  - Total amount allocated under the scheme and for individual teachers non-teaching staff and students.
  - Maximum number of participants to be permitted to avail funding under the scheme.
- The college should take steps towards making the Internal assessment process more transparent and its workflow smoother through ICT for which necessary software or applications should be made available.
- To help the economically weaker students the college should introduce earn and learn scheme under which shortlisted students will be required to work for limited number of hours to the local industry, institute against payment. The placement cell will assist to find out the student's requirement.

### **Minutes of IQAC Meeting held on 03.06.2019**

1. The Chairperson welcomed the members to the meeting.
2. The minutes of the previous meeting held on January 05, 2019 were confirmed.
3. The following issues were discussed.

Detailed discussions on various aspects of Value-Added Courses were held. It was informed that a separate committee comprising of faculty members has been assigned the responsibility for working out the modalities of the value-added courses. It was further informed that talks regarding value added courses with external agencies are in progress. The college is planning to promote Value Added Courses in the forthcoming semester.

The proposed programs for teaching and non-teaching staff were briefed. It was informed that a workshop on "Capability" for faculty members and on quality initiations for non-teaching staff have been planned. In semester break of December 2019, Faculty Development Program is to be organized. It was reported that the faculty lecture succession, which was initiated under IQAC, was a huge success and, therefore, this will be continued in the forthcoming semester as well.

It was suggested to set a formal mentor-mentee system in the college. In this context, it was suggested to assign faculty members as mentors for students with well-defined mentor roles and contact. It was proposed that the task be taken up by the Teacher-In-Charge.

It was suggested that the Academic standards Committee analyze the academic result of the courses for identification of strengths and weaknesses, highlighting the areas of improvement
